RESOLUTION 86-15

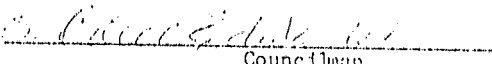

- WHERE AS: An Asbestos Landfill has been established in proximity to Mountainair and the route of choice for conveyance of Asbestos to the site is through Mountainair and by the Municipal Grade School and,
- WHERE AS: The operators of said Asbestos dumpsite have failed to show due care and diligence in complying with the self imposed operations and maintenance plan Governing Transportation & disposal and,
- WHERE AS: Citizens of Mountainair and vicinity have expressed their concern for the health and well being of their children and themselves in the face of the mishandling of this potentially hazardous material and,
- WHERE AS: The Torrance County Commission has jurisdiction for establishment and enforcement of Ordinances in addition to rules and regulations of the Environmental Improvement Division, therefore let it be resolved that: The Town of Mountainair supports the efforts of the Torrance County Commission. In instituting the most strict of ordinances Governing Transportation and disposal of Asbestos bearing materials, to insure the proper and safe operation of the existing landfill and to fore stall the continued development of Torrance County as an Asbestos dumpsite.

Passed, Adopted and Approved in Regular Session at Mountainair, New Mexico this ~~15th~~ day of July, 1986.
