

Torrance County
Resolution # 2007-51

A Resolution adopting an Infrastructure Capital Improvements Plan (ICIP)

WHEREAS, the County of Torrance recognizes that the financing of public capital projects has become a major concern in New Mexico nationally; and

WHEREAS, in times of scarce resources, it is necessary to find new financing mechanisms and maximize the use of existing resources; and

WHEREAS, systematic capital improvements planning is an effective tool for communities to define their development needs, establish priorities and pursue concrete actions and strategies to achieve necessary project development; and

WHEREAS, this process contributes to local and regional efforts in project identification and selection in short and long range capital planning efforts.

Now, therefore be it resolved by the governing body of Torrance County adopting the attached Infrastructure Capital Improvements Plan, and it is intended that the Plan be a working document and is the first of many steps toward improving rational, long-range capital planning and budgeting for New Mexico's infrastructure.

Be it further resolved that this Resolution supersedes Resolution No. 2007-39.

PASSED, APPROVED AND ADOPTED by the governing body at its meeting of October 10th, 2007
