## RESOLUTION 2008-23

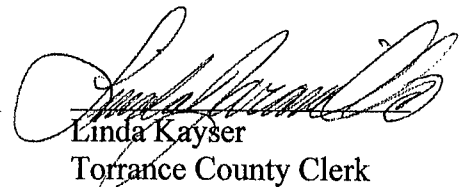

Whereas the Partnership for a Healthy Torrance County is the designated community health improvement council for Torrance County and has as its mission to improve the quality of daily living for all Torrance County residents through shared services, collaboration, and enhancement of health and social service programs;

And, Whereas the Partnership for a Healthy Torrance County has identified as community health priorities Access to Community-Based Resources, Teen Pregnancy and Births to Single Parents, Substance Abuse and Domestic and Community Violence;

And, Whereas the members of the Partnership for a Healthy Torrance County have joined together to bring a broad range of health and social service related information and services to the residents of the Estancia Valley community on a day dedicated to improving general health and well-being of the families we serve;

Be it therefore resolved that the Torrance County Board of Commissioners does hereby declare Saturday March 29, 2008 as Torrance County Health Improvement Day and fully supports the efforts of the Partnership for a Healthy Torrance County to bring awareness to the importance of Public Health Improvement.
