Re: Extension Request
FY13/14 LGRFP Contract Agreement

Dear Mr. McElroy:

Please consider this letter a formal request for a six month extension for Project #CAP-5-14(472), Contract #D14169, Control #HW2L500137, Due on or before December 31, 2014.

Scope of work for this project is Pavement Rehabilitation/Improvement and Blading & Shaping on various county roads within the control of Public Entity. The Pavement Rehabilitation roadways are complete.

The extension is for improvements on various county roads requiring pit run and or base course material.

Due to the amount of rains in the last few months, causing washouts, our county road department has been working vigorously to repair roadways for the safety, and the welfare of our county residents. The above contract agreement is experiencing delays in the hauling of material.

We at the County of Torrance hope you look favorably upon our request and we truly appreciate your consideration. Torrance County 2013/2014 Cooperative Agreement/Extension.

Please, feel free to call our contact person Trisha LM Chavez the Road Department Administrator at (505) 246-4765 with any questions you may have regarding this matter.

Respectfully,

Joy Ansley
Torrance County Manager
