Dear Mr. Trujillo,

Once again Torrance County for the FY 2017/18 is requesting up to \$25,000 from the Local Governments Road Fund Program, to be used to purchase used equipment from the New Mexico Department of Transportation Department through the emergency rule action pursuant to State Highway Commission SHTD 93-5 Amendment 1 and/or Annual Hardship Program 18 NMAC 27.4, allowing counties who show hardship to expend these monies towards used trucks and or heavy equipment.

Needed pickups and or heavy equipment listed below are:

- (1) Pick-ups, all at 300,000 miles or more.
- (2) Tractor's with trailer (semi's/belly dumps at 20 yards) are needed for transporting material.
- (3) Tractor mowers for mowing chip seal roadways. Torrance County has an estimated 86.0 miles of chip seal roadways.
- (4) Dump Trucks are needed for transporting material.

Please note that a high percentage of pickups and equipment that Torrance County owns, at some point was purchased from the New Mexico Department of Transportation on financial hardship monies.

The Torrance County Road Department each fiscal year is allocated funding for three cooperative agreements between the New Mexico Department of Transportation and Torrance County for roadway construction (pit run and or chip seal projects) on our county designated roadways for maintenance.

Above listed equipment is vital in allowing our county to provide construction roadwork that is necessary for the public health, safety and general welfare for all traveling our roadways.

We would like to request certification from the Department of Finance, which will verify that the County of Torrance qualifies for this financial hardship.

Your assistance in this matter is appreciated.

Respectfully,

Trisha LM Chavez
Torrance County
Road Dept. Administrator
