

**A Resolution Supporting the 2018 Legislative Priorities of the
New Mexico Association of Counties**

WHEREAS, in August 2017, the Board of Directors of the New Mexico Association of Counties approved five legislative priorities for consideration by the New Mexico Legislature at its 2018 regular legislative session; *and*

WHEREAS, NMAC has requested that the Board of County Commissioners in each of the state's 33 counties discuss and approve a resolution supporting NMAC's legislative priorities; *and*

WHEREAS, this is an important step in assuring maximum understanding of, and support for, NMAC's legislative priorities at the county level; *and*

WHEREAS, the adoption of such resolutions will enable NMAC to demonstrate to the state legislature strong local and statewide support for NMAC's legislative priorities; *and*

WHEREAS, the legislative priorities include support for legislation on the following five issues:

- **Forfeiture Act Reform**

Support legislation that would correct the unintended consequences of the 2015 amendments to the NM Forfeiture Act to address federal equitable sharing, storage of abandoned property, and expand local authority to seize and dispose of forfeited property while preserving due process protections.

- **Protecting County Funding of Healthcare**

Support the significant involvement of county policy makers in federal, state, and local healthcare, human services, and Medicaid planning, funding, and service delivery decision-making, and oppose any measure that would further shift federal and state healthcare costs to county government.

- **Tax Reform**

Support legislation that protects county revenue and does not have a negative impact on county government. NMAC strongly believes that counties must be at the table for and fully participate in all tax reform efforts; strives to minimize tax policy that places counties and other local governments in conflict; and opposes any efforts that reduce the state's hold harmless distribution to counties or that reduces county GRT authority.

- **Local Election Act**

Support legislation that would enact the Local Election Act, aligning the date for local, non-partisan elections with taxation authority, to the same day in the odd-numbered year.

- **Extend 2014 HB16 Liquor Tax Distribution Sunset**

Support legislation that would permanently increase the distribution percentage to the local DWI grant fund.

NOW, THEREFORE, BE IT RESOLVED that the Torrance Board of Commissioners does hereby support the legislative priorities of the New Mexico Association of Counties as set forth above, and urges that legislation incorporating these priorities be enacted by the state legislative during its 2018 regular session.

ADOPTED this 27th Day of September, 2017.

Short Title or Subject: Protecting County Funding of Healthcare Services

Affected Affiliates: All

Impact on County Revenues/Finances: Substantial

Requested as NMAC Legislative Priority for 2018 30-Day Session: Yes or No (circle one)

The New Mexico Association of Counties supports the significant involvement of county policy makers in federal, state, and local healthcare, human services, and Medicaid planning, funding, and service delivery decision making, and opposes any measure that would further shift federal and state healthcare costs to county government.

- New Mexico counties bear the expense of continued funding for indigent health programs to support uninsured and underinsured populations, provide the single source of funding for health care for detention facility detainees, incur the cost of housing State Public Health Offices, and provide additional healthcare related services for other county residents who are part of the "working poor," and therefore not eligible for Medicaid services.
