Resolution # 2018-06**

**A Resolution adopting an Infrastructure Capital Improvements Plan (ICIP)**

**WHEREAS**, the County of Torrance recognizes that the financing of public capital projects has become a major concern in New Mexico nationally; and

**WHEREAS**, in times of scarce resources, it is necessary to find new financing mechanisms and maximize the use of existing resources; and

**WHEREAS**, systematic capital improvements planning is an effective tool for communities to define their development needs, establish priorities and pursue concrete actions and strategies to achieve necessary project development; and

**WHEREAS**, this process contributes to local and regional efforts in project identification and selection in short and long range capital planning efforts.

**Now, therefore be it resolved** by the governing body of Torrance County adopting the attached Infrastructure Capital Improvements Plan, and it is intended that the Plan be a working document and is the first of many steps toward improving rational, long-range capital planning and budgeting for New Mexico's infrastructure.

**Be it further resolved** that this Resolution supersedes Resolution No. 2017-059.

**PASSED, APPROVED AND ADOPTED** by the governing body at its meeting of January 10, 2018.
