Re: Tentative Award - 2<sup>nd</sup> letter

Dear Sir/Madam;

As there have been many changes to the EMS Fund Act since the last updated NMEEMSTARS were filed, along with additional items and other specific information, we are sending a second tentative award letter. After a review of your application, we may notice a major difference from the first letter. If you do, please contact me for further information.

Based on the review of your EMS Fund Act application for Fiscal Year 2019 (July 1, 2018 - June 30, 2019) by your respective EMS Regional Office and the EMS Bureau, your agency has received tentative approval to receive EMS Funds in the amount of **\$15,168.**

This is the second and final tentative letter your service will receive for the FY 2019.

Please review the items proposed for purchase in your application to ensure that those items and priorities are still appropriate. **Please remember that any changes to the priority purchase list you submitted in your original application must be approved by the EMS Bureau; please submit these change requests to the EMS Bureau.**

We anticipate warrants for this grant to be mailed out by August 31, 2018. If you have any questions, or would like to discuss your tentative award, please call me at (505) 476-8233 or email me at [Ann.Martinez1@state.nm.us](mailto:Ann.Martinez1@state.nm.us)

Sincerely,

*Ann Martinez*
